

**CITY OF LAREDO  
UTILITIES DEPARTMENT**

***Urgent News from "Tommy the Tank"***

**FOR IMMEDIATE RELEASE**

**Release Date: April 28, 2015**

**WHAT:** East Country Subdivision-Phase I Project to Cause Temporary Interruption of Water Service and Traffic Inconvenience

**WHEN:** Wednesday, April 29, 2015 from 7:00 a.m. to 3:00 p.m.

**WHERE:**

- Location of Work: East Country almost at the intersection with Gracie Dr.
- Interruption of Water: 7819 East Country Dr.
- Traffic Inconvenience: Close one lane on East Country Dr.

**WHY:** To do an 8" water line tie-in

**PROJECT:** East Country Subdivision-Phase I

**ADDITIONAL INFORMATION:** Rován Texas, LLC, a private contractor, will be connecting a new 8" waterline to an existing 8" water line at East Country almost at the intersection with Gracie Dr. Work will cause temporary interruption of water to one customer, located at 7819 East Country Dr. and traffic inconvenience as one lane of East Country Dr. will be closed. The contractor will notify the affected property owner in writing at least 24 hours prior to the interruption of water services.

Work will take approximately eight hours (8) hours for completion of work, weather permitting. Progress updates will be made available by the Utilities Department.

Motorists and pedestrians are cautioned to avoid the construction area completely and to take alternate routes, or to use extreme caution when traveling through the area. Residents are urged to adhere to all posted traffic control signs, digital message boards, and devices in order to provide safety to all citizens and minimize traffic congestion in the affected area.

**CONTACT INFORMATION:** For project information, please contact Ryan Schwarz from Rován Texas LLC at (956) 239-0255. To report any water or wastewater service problems, please contact the City of Laredo Utilities Emergency Call Center at (956) 721-2010.
